

The Good Bye Song!

Day O'. Day O'.

We had fun but it's time to go home.

Day! We say Day O'.

We had fun but it's time to go home.

Play all day until the afternoon come.

We had fun but it's time to go home.

Read a book and we run in the sun.

We had fun but it's time to go home.

Come everybody tell me about your day.

We had fun but it's time to go home.

Tomorrow will be another very special day.

We had fun but it's time to go home.

It's six steps, seven steps, eight steps out!

We had fun but it's time to go home.

We leave our school and then we shout!

We had fun but it's time to go home.

Day! We say Day O'.

We had fun but it's time to go home.

Day! We say Day! We say Day! We say Day!

We had fun but it's time to go home.

A beautiful day, a happy time.

We had fun but it's time to go home.

We sang some songs and we made some rhymes.

We had fun but it's time to go home.

It's six steps, seven steps, eight steps out!

We had fun but it's time to go home.

We leave our school and then we shout!

We had fun but it's time to go home.

Day! We say Day O'.

We had fun but it's time to go home.

Day! We say Day! We say Day! We say Day!

We had fun but it's time to go home.

Day O'. Day O'.

We had fun but it's time to go home.

Day O'. Day O'.

We had fun but it's time to go home (x3).
